- Ocean View

Property Description

This is an excellent property to develop a small scale hotel of cabinas right along the coast line in Paquera Costa Rica. There are two cabinas and a kitchen fronting the beach now, a large rancho bodega and a custodians home. The plan for 8 additional cabinas and a pool has been verbally approved and is being drawn up now by the topographer engineer. See the photos and video to get a good idea of this ideal property.
