Property Description

Casa Mañana Central location on the main street of Playa Peladas. Steps away from restaurants, and mini market; 5-7 minutes walk from the beach. Another 10 minute walk to the surf of Playa Guiones North. Removed from the main street, this gorgeous modern home is nestled amongst lush gardens filled with tropical plants and flowers. It is partly shaded by a majestic Guanacaste tree favored by monkeys and birds of all kinds. Casa Mañana boasts the biggest private saltwater pool in the area (with deep and shallow ends) connected to a smaller shallow pool for toddlers or for sipping margaritas! The inside/outside connection is incomparable with large sliders that open to a covered terrace complete with a sitting area, dining, and barbecue. A covered rancho offers extra relaxing space with gently swinging hammocks, adjacent to an outside shower, surfboard storage, and a pool bathroom. An immense upstairs deck offers the perfect space for revitalizing yoga sessions.
