Property Description

The aptly named Oasis is a unique, multi-level, organically integrated hotel hidden away on a hidden street in Manuel Antonio. Minutes from all the conveniences found in Quepos and Manuel Antonio, from the beach and the marina, it feels like you're far from civilization. Eight discrete rooms arranged throughout the complex are enveloped by the jungle for a rich, tropical experience. All rooms have new fridges, mattresses, microwaves, coffee makers, fans, AC, safes, furniture, with hot water showers and individual outdoor seating spaces. Four of the eight rooms are equipped with kitchenettes. Featured throughout is a unique furniture collection made from a reclaimed wooden ship. One enters the property through a muraled gate revealing parking for 7 cars to one side and two ground floor rooms to the left. One room has a queen and a twin bed to sleep 3. The second room has 2 queen beds and is outfitted with a wheelchair accessible bathroom, an important accommodation for a Costa Rican hotel licence.
